Body Outside Diameter:

0.750 inches

Body Inside Diameter:

0.685 inches

Structural Design:

Thinwall

Measuring Method And Length:

20.000 inches

Material:

Aluminum alloy 2024

Material Specification:

Ww-t-700/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02700
