**Body Outside Diameter:**

0.750 inches

**Body Inside Diameter:**

0.685 inches

**Structural Design:**

Thinwall

**Measuring Method And Length:**

20.000 inches

**Material:**

Aluminum alloy 2024

**Material Specification:**

Ww-t-700/3 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A02700
