Inside Diameter:

Between 0.375 inches and 0.395 inches

Outside Diameter:

Between 0.505 inches and 0.525 inches

Length:

18000.000 inches

End Application:

Rotary tiller mixer

Special Features:

Flame retardant finish

Material:

Paper and cotton-polyester blend weave

Surface Treatment:

Asphalt saturant

Style Designator:

Plain convoluted conduit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02700
