Overall Height:

Between 0.870 inches and 0.937 inches

Base Outside Diameter:

Between 0.615 inches and 0.635 inches

Special Features:

Includes nut made of aluminum with clear, anodized finish

Material:

Rubber silicone body

Material Specification:

Zz-r-765, cl iii, gr 50 federal specification single material response body

Style Designator:

Closed end

Supplementary Features:

ENDI-TE-M66-2501

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02000
