Mounting Provision:

Unthreaded hole

End Application:

6115-01-161-3992 generator set, g

Design Feature:

Punched holes

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A05500
