**Mounting Provision:**

Unthreaded hole

**End Application:**

6115-01-161-3992 generator set, g

**Design Feature:**

Punched holes

**Material:**

Aluminum alloy 5052

**Material Specification:**

Qq-a-250/8 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A05500
