Electrical-electronic Equipment Chassis - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5975-01-312-6733

Mounting Provision:
Unthreaded hole
End Application:
6115-01-161-3992 generator set, g
Design Feature:
Punched holes
Material:
Aluminum alloy 5052
Material Specification:
Qq-a-250/8 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A05500
