Trade Size:

0.281

End Application:

Alq-161 b-1b

Measuring Method And Length:

120.000 inches

Special Features:

Inner conduit, black thermoplastic, convoluted; metal braid, tinned copper wire; outer jacket, black neoprene; t15 adapter on p1 side fits connector no.86099-21-d-16, and retainer no. 151-004590-001 on p2 side; adapters, aluminum alloy, electroless nickel finished

Material:

Plastic body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02700
