**Mounting Provision:**

Unthreaded hole

**End Application:**

Aircraft model h-1

**Mounting Facility Quantity:**

4

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-225/8 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A05500
