Overall Length:

3.970 inches

Overall Height:

1.810 inches

End Application:

Aircraft model f-14d

Mounting Configuration:

Three 0.311 in. Diameter mounting holes on 0.385 by 0.392 mounting centers

Panel Material:

Plastic and aluminum alloy

Special Features:

Surface treatment is epoxy polyamide primer 600 chemical film; black camouflage lacquer acrylic paint; black gloss epoxy marking paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T122-b
