End Application:

1730-01-126-6239 trailer, lift, acft; aircraft model f-18a/b/c/d

Special Features:

Mfg. Nomenclature describes item as roller cable; 0.750 in. dia., center hole no. 7 drill 0.201 in. Dia., thickness 0.385 in.

Material:

Steel comp 1018 body

Surface Treatment:

Cadmium body

Surface Treatment Specification:

Qq-p-416c, type ii, class 2 federal specification single treatment response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02000
