Hazardous Locations/environmental Protection:

Electromagnetic interference shielded

Overall Length:

1.188 inches

Conduit Type Accommodated:

Flexible nonmetallic first end

Item Accommodated Trade Size:

0.075 inches first end

Material:

Steel stainless

Style Designator:

Reducer

Thread Series Designator:

Un first end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01800
