## NSN 5975-01-379-0742

Electrical Nonmetallic Conduit Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5975-01-379-0742

Hazardous	Locations/environmental	Protection:
-----------	-------------------------	-------------

Electromagnetic interference shielded and radio frequency interference

**Terminal End Type:** 

Adapter both ends

**Measuring Method And Length:** 

24.000 inches

Flexibility:

Flexible

Shelf Life:

N/a

**Unit Of Measure:** 

--

Demilitarization:

No

Fiig:

A02700
