Electrical Nonmetallic Conduit Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5975-01-379-0742

Hazardous I	Locations/environmental	Protection:
-------------	-------------------------	--------------------

Electromagnetic interference shielded and radio frequency interference

Terminal End Type:

Adapter both ends

Measuring Method And Length:

24.000 inches

Flexibility:

Flexible

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02700
