Overall Length:

0.750 inches

Overall Width:

0.750 inches

Operating Temperature Range:

-40.0/+221.0 degrees fahrenheit

End Application:

Dgu ac130u, airoraf (ac-130h, mc-130h, ec-130e, hc-130)

Mounting Method:

Adhesive

Usage Location:

Exterior

Cable Tie Size Accommodated:

Standard

Special Features:

Next higher assembly-nsn 5998-01-345-4020; adhesive backing per astronautics corporation of america (10138): double coated acrylic foam tape 3-m, vhb, y-4930; adhesive backing per richco: rms-01; can also be mounted with number 6 screw (m3.5)

Color:

Natural

Material:

Plastic nylon

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510s0
