Electrical-electronic Equipment Chassis - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5975-01-421-3389

End Application:
Pacer dawn
Special Features:
Chassis assembly, 1f/agc
Material:
Aluminum alloy
Material Specification:
Qq-a-250/11, tem, t651 federal specification single material response
Style Designator:
Open flanged ends
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A05500
