Shelf Width:

15.500 inches

Shelf Depth:

9.700 inches

End Application:

An/alq-172

Shelf Top Material:

Aluminum

Product Name:

Tray assembly, heavybox removal-aircraft center underdeck

Special Features:

Load capacity is 130 lbs; no calibration required; height of item 1.500inches

Material:

Aluminum

Style Designator:

Bracket mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A05500
