Overall Length:

6.980 inches

Overall Height:

4.390 inches

Overall Width:

3.780 inches

End Application:

Patriot system

Special Features:

Alternate construction cast aluminum a356.0, class 2, grade d (mil-a-21180); chromate chemical film (mil-c-5541) after dip brazing (mil-b-7883, class b) and welding; heat treated after brazing to t4, spec. Mil-h-6088; welding rod class 4043, qq-r-566 per class c specification mil-w-8604

Material:

Aluminum

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
