Overall Length:

6.00 inches

Overall Width:

0.650 inches

Overall Diameter:

3.00 inches

Overall Thickness:

0.32 inches

Product Name:

Clamp, rectangular, cushioned

Special Features:

Strap material: 321 corrosion resistant steel per ams 5510, cushion material: fluorosilicone per mil-dtl-25988, class 2, type ii, grade 50

Material:

Stainless steel and rubber

Surface Treatment:

Passivate

Special Test Features:

Finish: passivate per ams 2700, method 1, type 6 or type 7, class 1

Supplementary Features:

Cushion color: blue, temperature range: -70f to 400f

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T386-a
