Deflection Angle:

90.0 degrees

Conduit Type Accommodated:

Flexible metallic second end

End Application:

Cass otps 804

End Type:

External thread first end

Leg End To Plane Of Bend Distance:

2.060 inches first end

Item Accommodated Trade Size:

1.031 inches second end

Material:

Aluminum alloy

Style Designator:

Standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01800
