Special Features:

Components and quantity - shield 1, chassis 1; bracket 2, angle 2, screen 1, frame 1, nut 43, pin 4, lockspring 8

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8, temp h32 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05500
