Overall Length:

0.670 inches

Overall Height:

0.430 inches

Overall Width:

0.440 inches

Overall Diameter:

1.250 inches

Product Name:

Mount, cable tie

Special Features:

Mount swivels 360.0 degrees about rivet axis on circular baseplate; part is mounted in a disposable pressure sensitive adhesive fixture for attachment during bonding of baseplate; dimensions of fixture are 2.000 inches length by 0.900 inch wide by 1.050 inch height

Color:

Natural

Material:

Aluminum and plastic nylon

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510s0

Mil-std (military Standard):

Mil-a-8625 spec.
