**Inside Diameter:**

0.625 inches

**Length:**

12.000 inches

**End Application:**

2320-01-452-5579, truck tractor

**Product Name:**

Wire, loom, convoluted split

**Special Features:**

Type: convoluted split; color: black; operating temperature 200 degrees fahrenheit max

**Style Designator:**

Plain convoluted conduit

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02700
