Inside Diameter:

0.625 inches

Length:

12.000 inches

End Application:

2320-01-452-5579, truck tractor

Product Name:

Wire, loom, convoluted split

Special Features:

Type: convoluted split; color: black; operating temperature 200 degrees fahrenheit max

Style Designator:

Plain convoluted conduit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02700
