Mounting Provision:

Slide

End Application:

Sqq-3 (v) 3 fc60

Mounting Facility Quantity:

2

Features Provided:

Prewired

Product Name:

Bullnoaw 4 (shortened)

Special Features:

Component shall not have a magnetic permeability greater than 2.0 after fabrication; contains keyboard, trackball, touchpad, etc

Style Designator:

Standard mounting

Supplementary Features:

Modification of p/n: g645811-1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A05500
