End Application:

Nsn: 2350-01-513-8431; knight with fs3.

Product Name:

Guard, cable.

Special Features:

12491531; guard, cable; 19207.

Flexibility:

Rigid

Material:

Steel body

Material Specification:

Astm a240 assn standard single material response body or astm a242 assn standard single material response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02000
