**Overall Height:**

2.950 inches

**Overall Width:**

2.450 inches

**End Application:**

Misc command x surveillance; lcac panels, electroluminescent - engineer

**Mounting Configuration:**

4 grommet assemblies, ms3498-8, 1 at each corner

**Panel Material:**

Aluminum alloy or steel, stainless

**Product Name:**

Auto shutdown el panel

**Special Features:**

Corners have half-arch cutout; marked "auto" above "shutdown" at top center; has hole 0.531 in dia, cbore 0.750 diameter x 0.12 deep, marked "ovrd" above and "norm" below

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T122-b
