Mounting Provision:

Support rails

Overall Depth:

12.000 inches

Overall Height:

8.720 inches

Overall Width:

18.000 inches

End Application:

23tv ser and vid cab assembly, 9000703-100

Component Mounting Facility Type And Quantity:

8 slot

Design Feature:

Blank

Product Name:

Cradle/enclosure

Special Features:

Cradle/enclosure only - does not perform "rapid link" function; holds 1 - 4 tbx-500b units and makes mounting in rack/cabinet easier

Color:

Black

Material:

Aluminum or steel

Style Designator:

Vertical rack mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05500
