Overall Height:

3.000 inches

Overall Width:

3.500 inches

Overall Thickness:

2.300 inches

Panel Material:

Any acceptable

Product Name:

Terminal board

Special Features:

Use as is for current inputs or add resistor to use for voltage inputs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T122-b
