Overall Length:

3.750 inches

Overall Height:

0.196 inches

Overall Width:

0.590 inches

End Application:

Composite box metal; scuttle

Special Features:

Surface treated with indite; (5) slots oval in shape 0.472 dia

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
