AeroBase Group

Overall Length:

65.500 inches

Overall Width:

36.500 inches

Overall Thickness:

0.020 inches

End Application:

Ntgms

Panel Material:

Aluminum alloy

Product Name:

Panel, common inseparable assembly

Special Features:

Operating temps -40 degrees to + 130 degrees f operational life is 20 years

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T122-b
