Mounting Provision:

Screw

End Application:

An/uyq-96 cnd-ids tap solution

Mounting Facility Quantity:

3

Product Name:

Frame, rackmounted

Special Features:

Description: 3 slot rack mount frame (1u). P/n: rk-3 (96045). Designed specifically for easy rack-mounting of net optics taps. Accommodates three 4.5inches wide taps in a 1u frame. Taps are engineered with integrated thumbscrews so insertion into the frame is plug-and-play.

Three slot frames are compatible with any 19 inches rack, accomodating up to three 4.5 inches taps in a streamlined 1u design.
