Body Inside Diameter:

1.500 inches

Product Name:

Conduit assemblies

Special Features:

Operating temp -55 to +155 c tensile strenght psi 5000 elongation% 500 flammability non-burning fungus resistance does not support fungus growth dielectri strenght 490 v/mil

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02700
