Body Outside Diameter:

1.203 inches

Body Inside Diameter:

0.750 inches

End Application:

Oe-37 (v) g antenna group

Measuring Method And Length:

384.000 inches

Special Features:

Mounting adapter 84.0 inches from end; other end has emi/fri o-ring

Specification Data:

A-a-52440 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02700
