Overall Length:

28.500 inches

Overall Width:

12.000 inches

End Application:

Resistor assembly 1; dbl widemf mobile maint facility, double wide; mf turnkey a mobile maint facility, turnkey a; somfa mobile maint facility, side opening

Product Name:

End panel

Special Features:

Item made from sheet-16ga, 13.50 x 30.00 (approx), al steel p/n 900018; .191 diameter 6 holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T122-b
