End Application:

8145-001-534-3597 mult-temp refr cont

Product Name:

Strain relief, emi shielded

Special Features:

Material; nickel plated brass, clamping insert: poluamide, seal and oring; buna-n, operating tem: negative 40 degree celius to 100 degree celius, mounting hole required 0.81 inches

Material:

Nickel body and plastic polyamide body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02000
