Mounting Provision:

Bracket

Overall Depth:

390.0 millimeters

Overall Height:

89.0 millimeters

Overall Width:

415.0 millimeters

Product Name:

16-bay fiber converter chassis system

Special Features:

1 x 10/100mbps fast ethernet rj45 and 1 x rs-232; 100-240vac, 150w max; single internal cooling fan mounted at rear panel; operating temp range: 0 to 40 degrees c

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05500
