Mounting Hole Quantity:

2

End Application:

Ecp rms-m15-0

Design Type:

Straight through

Product Name:

Strut assembly, straight

Special Features:

Nha; 7662101 and used on; searam; chemical treat in accordance with mil-dtl-5541 class 3 electrically conductives.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T386-a
