End Application:

2355-01-539-3639; lav-25a2

Product Name:

Grenade launcher cable cover

Special Features:

2.00 inches long x 2.62 inches tall x .25 inches thk

Material:

Steel comp 1010 body and steel comp 1022 body

Surface Treatment Specification:

Es12662, method 3 military specification single treatment response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02000

Mil-std (military Standard):

spec.
