Overall Height:

0.453 inches

Body Outside Diameter:

1.219 inches

End Application:

Special aircraft and engine tool and support equip/parts

Accommodation Hole Inside Diameter:

0.938 inches

Product Name:

Bushing, electric

Special Features:

Nha; 1559as428

Material:

Nylon body

Style Designator:

Snap

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02000
