End Application:

Ground support equipment

Thread Size:

0.500 inches single end

Product Name:

Connector

Special Features:

For cord diameter .25-.38; thread od .84; locknut material aluminum; bushing material neoprene; o-ring material nylon; operating temperature -30 to +225 degrees f

Material:

Aluminum

Thread Series Designator:

Npt single end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01800
