**Overall Length:**

17.000 inches

**Accommodated Conductor Wire Construction:**

Solid and stranded

**Section Quantity:**

1

**Handle Length:**

7.000 inches

**Ground Wire Accommodation:**

Integral thumb screw

**Point Shape:**

Conical

**End Application:**

6625-01-377-6166

**Product Name:**

Ground conductor

**Diameter:**

0.093 inches

**Material:**

Steel, corrosion resisting

**Material:**

Stainless steel

**Style Designator:**

Drive head

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02500
