End Application:

2320-01-532-3599; tamcn: d11627kp

Panel Material:

Aluminum alloy, qq-a-250/11, alloy 6061, t6

Product Name:

Electrical panel weldment

Special Features:

Applicable std/spec a)asme y14.100-200 b) asmey14.5m-1994; welding shall be iaw mil-std-2219 class a, painting spec-mil-dtl-64159 typeii, color green

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T122-b
