Overall Length:

5.688 inches

Overall Width:

5.625 inches

Overall Thickness:

0.063 inches

End Application:

5430-01-487-7760

Panel Material:

Steel, stainless

Product Name:

240 junction box sub panel

Special Features:

Has six 0.281 by 0.344 inch mounting slots.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T122-b
