Overall Height:

16.37 inches

Overall Width:

26.75 inches

Overall Thickness:

0.059 inches

End Application:

5430-01-487-7760

Panel Material:

Steel, stainless

Product Name:

Battery enclosure top

Special Features:

The finish is black powder coating.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T122-b
