Mounting Hole Quantity:

4

End Application:

Mrap matv ui

Product Name:

Ground plate assembly, pdu

Material Specification:

Asme-y14.100 federal specification 1st material response and mil-hdbk-454 military specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A508n0

Mil-std (military Standard):

spec.
