Deflection Angle:

90.0 degrees

Conduit Type Accommodated:

Rigid metallic thinwall first end

End Application:

2355-01-553-5269

End Type:

Internal thread second end

Product Name:

90 degree compression connector

Material:

Zinc alloy

Style Designator:

Standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01800
