**Mounting Method:**

Hole/slot

**End Application:**

4940-01-548-9064

**Product Name:**

Cover assembly, inverter

**Special Features:**

The general shape is rectangular with 2 flanges with 1 unthreaded mounting hole each.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T23700
