Deflection Angle:

90.0 degrees

Overall Height:

1.880 inches

Overall Width:

4.340 inches

End Application:

4940-01-601-1928

Leg End To Plane Of Bend Distance:

4.125 inches first end

Product Name:

Right angle raceway fitting

Special Features:

The color is white.

Material:

Plastic polyvinyl chloride

Style Designator:

Angular elbow

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01800
