Overall Height:

15.125 inches

Overall Width:

22.156 inches

Panel Space Height:

12.625 inches

Product Name:

Consol no.5 assembly

Special Features:

Cabinet no. 5 instalation assembly, instrumentation and control cab, turboshaft engine test system : used on: 981as300

Style Designator:

Utility w/removable front and back

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05500
